LUCO FOR A.P.C.

It was only a matter of time before children's clothing went the designer-collaboration route. This summer, A.P.C. has partnered with luxe French kids clothier Luco to create a [small collection](#) of Parisian-looking floaty yoke-collared tunics, mini skinny jeans, and canvas caps. Why not give Madeline a run for her money?

About a Wedding Gone Wrong

THE ROMANTICS

In Galt Niederhoffer's second novel, *The Romantics*, a close-knit group of Yale grads reunite in Maine for a wedding and things don't go as planned. Lila, the gorgeous, Waspy bride and her best friend, Laura, the only Jew in the group, aren't as close as they once were. And Laura can't stop thinking about her ex-boyfriend, Tom, who also happens to be the groom. Throw in loads of alcohol, a controlling matriarch, and some nasty summer weather, and you've got one messy situation—and the perfect beach read.

BEYOND A PEANUT FLASH CARDS

Dealing with food allergies can be confusing (not to mention a giant pain), but there's no room for mistakes. [Beyond the Peanuts](#) is a series of educational flash cards created by Dina Clifford, the mother of two children with life-threatening food allergies. They're a great way to teach your kids—even your babysitter—about the importance of avoiding certain foods without getting seriously medical on them.
